Student Government As Alumni—

I take personal pride in welcoming you to one of the greatest experiences of your life. SIU can provide not only an excellent education, but also outstanding extra-curricular activities. Every facet of this campus is at your fingertips and all you have to do is desire to get involved.

As Student Body President, I challenge you to participate in, interact with, and explore all of the services offered by Student Government. We have a fine, capable staff of eager students who are anxious to help you settle in your new environment. Make the most of these next few years and don't ever think about what you could have done . . . just do it and enjoy it!

Sincerely,

Pete C. Alexander

Alumni Association

Welcome to the SIU Family:

You are joining the many thousands of graduates and former students who have received their education from Southern Illinois University at Carbondale and who are pursuing successful careers in many fields and professions around the world.

You are on campus just a few years, but are associated with SIU for the rest of your life. The Alumni Association will represent your interests and needs while you are on campus and after you leave Carbondale.

While on campus, you will come in contact with alumni through classes, meetings, and special programs like Homecoming.

We invite you to visit the Alumni Office, 2179 Faner Hall ("at the top of the ramp"), for a chat and to become involved in our student group, the Student Alumni Board.

Best wishes during your SIUC career. You have begun a life-long association with a great University and we look forward to working with you.

Sincerely yours,

Jack W. Murphy

Student Alumni Board

Welcome to Southern Illinois University at Carbondale and to the Student Alumni Board. The SAB is a student organization established to bring together present students and alumni, and to promote the University for all.

We are proud to sponsor the New Student Record and hope the tips and information will suggest some

of the great experiences ahead of you at SIUC.

Let this book be your informal guide in getting to know the University. Some of the tidbits may be just the thing to get you off on the right foot.

Our slogan, "Students Helping Students — Past, Present and Future" is how we see ourselves . . . an organization for SIUC and for all its students.

SAB — l to r, first row: Tom Magee, Vivian Isert; second row, Cindy Thybony, Bob Saltzman, Chris Phelan, Rita Jackson; third row: Brian Matsumoto, Greg Saddler, Bill Scully. Not pictured: Denise Marcotte, Ken Hammel, Pat Heneghan, Tom Linder, Pam Steinke

"Students Helping Students"

Student Alumni Board projects touch on many different aspects of the University and provide a great way to meet new friends from all over SIUC.

If you are interested, you could become involved in any of these projects:

BIRTHDAY CAKE SERVICE — Delivering birthday cakes that parents order for students door-to-door

ALUMNI RELATIONS — Improving relations between current students and former students; acting as hosts and hostesses at Homecoming; assisting with alumni telefunds

CAMPUS RELATIONS — Talking to student groups

about alumni and traditions of SIUC; planning banner contests and fight song campaigns to develop pride; assisting Offices of Admissions and Records, Career Planning and Placement, and Student Programming Council with their programs
NEW STUDENT RECORD — Practical experience in writing, photography, graphics and lay-out with this annual orientation directory

We look forward to you becoming an active SAB member. Check us out at the Alumni Office, or call 453-2408.

New Student Tips

- Keep your campus maps hidden on the inside of a notebook
- It's important to keep notes and handouts organized
- Girls, a great way to meet guys is through Little Sister rush
- Attend the beginning of the year programs and activities—you'll wish you had when work picks up
- Remember that you probably irritate your roommate as much as he or she irritates you
- Be sure to register your bike — and avoid a ticket
- In order to call long distance, pick up a dorm dial card
- Don't overindulge at your first kegger — the next few years will have lots of beer
- Apply for all scholarships that you hear about
- Pick up a copy of the Daily Egyptian every morning to find out what is happening around campus and town
- Separate underwear and jeans in the wash
- Take advantage of the linen service — change your sheets once a week
- Hang onto your room keys — they are expensive to replace
- Take your fee statement and ID wherever you go
- Compare prices before buying books
- Take advantage of all free activities
- Study for those exams
- Drop a hint to your parents for a birthday cake from the Student Alumni Board
- Be patient with University red tape
- Enjoy Shawnee National Forest surrounding SIUC
- Homesickness — a call home does wonders for the morale at both ends of the line
- Denny's, Italian Village and Golden Bear are open all night for the "munchies"
- Don't be afraid to talk to your professors — they're human, too
- Watch out for poison ivy
- Support our athletic teams — go to the games
- Weekends start on Thursdays
- Express yourself — vote in student elections
- The computer doesn't hate everyone — just you
- Become familiar with Morris Library
- Check the ride board in the Student Center to get away from campus
- Remember that there are only 24 Happy Hours in a day
- Keep your door locked — things have a habit of walking away
- Be considerate — not everyone likes to party
- Women — walk with a partner, especially at night
- "Students helping students" — check out the Student Alumni Board
- Tune into Uncle Briggs before dinner for the highlight of your day
- Be friendly, everyone's in the same boat
- All you drivers, watch out for the one way streets
- Any questions? Go to your R.A.
- Popcorn, pizza and beer are fattening — but fun
- Check out the posted menus for advanced warnings
- Transfer students, double check your transcript records with your SIUC advisor
- Don't put tape on the residence hall walls
- Give SIU a chance — most people are ready to return home the first weekend
- It's important to get involved in college, books aren't everything
- Enjoy the SIU experience

. . . Where to Go

When . . . I need money!

Contact the Student Work and Financial Assistance Office on the third floor, Woody Hall 'B'. This office provides a variety of programs including scholarships, grants, loans and part-time employment.

When . . . I'm feeling sick!

The University Health Service provides a comprehensive health care program for all SIUC students. Included is twenty-four hour emergency and ambulance service, hospitalization coverage and out-patient care. Preventive health care is emphasized through such concerns as drug abuse and sexuality problems. Prescription medicines are available at cost.

When . . . I need someone to talk to!

The Counseling Center in Woody Hall 'A' provides professional, confidential counseling for mild temporary problems, as well as for serious psychological problems which provides an opportunity to accelerate your personal growth in a supportive situation. Topics include sex-role awareness, effective inter-personal relationships, self-modification skills, assertiveness and empathy training.

When . . . I need a job before I graduate!

The Career Planning and Placement Center (CPPC) in Woody Hall 'B' has many resources to help you make career choices, to identify employment alternatives and to find preferred jobs. The employment library is comprehensive and a large Career Counseling staff is experienced in helping to clarify strengths and alternatives.

When . . . I have to write a report!

Try Morris Library. Over 1.7 million printed volumes, more than 1,580,000 microtext units, and over 18,000 current periodical subscriptions make Morris Library one of the largest open-shelf, subject division, academic libraries under one roof in the country.

Special services include the large Undergraduate Library, Learning Resources Service with its Self-Instruction Center, and the Student Media Design Laboratory.

When . . . I want to change majors!

Each academic unit has its own advisors who can assist you in deciding on a major and what classes you will need to take. These people can also help if you have any problems in your classes.

When . . . I'm caught up in red tape!

The Ombudsperson in Woody Hall 'C' plays the role of mediator between the students and the University. If you have problems that you cannot solve through normal channels, try the Ombudsperson.

When . . . I'm bored!

Head for the Student Center, "living room of the campus." Six acres of activities: Bowling, billiards, TV's, movies, dining areas, arts and crafts shop, meeting rooms, bookstore, and student clubs.

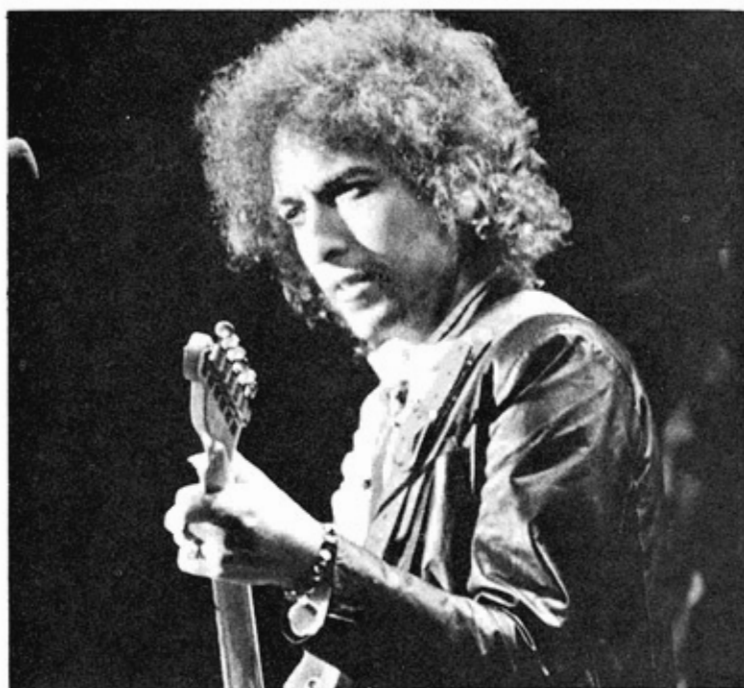

—ACTIVITIES—

Bob Dylan headlined the 1978 Homecoming Show. Other Arena events last year included:

- Beach Boys
- John Denver
- Doobie Brothers
- Grateful Dead
- Hall and Oates
- Heart
- Holiday On Ice
- Monte Carlo Circus
- Bruce Springsteen

How to Get Involved . . .

The Office of Student Development, located on the third floor of the Student Center (453-5714), is designed to provide assistance and aid to individual students and student organizations. It's the place to find out about joining a campus club, planning an activity, or forming your own student group.

There are over 300 recognized student organizations at SIUC. Groups vary from academic and departmental clubs to honorary societies to sports and social clubs. Some of the major organizations are:

Student Government—insures that students are represented equally in affairs which determine the political, economic and social life of the SIUC student community. Third floor, Student Center, phone 536-3381.

Graduate Student Council—represents the interests of and provides opportunities for graduate students in the promotion of the educational advancement and the social welfare of the campus community. Third floor, Student Center, phone 536-7721.

Student Programming Council (SPC)—provides the majority of all on-campus activities. The following committees encourage your ideas and participation: Films, Consorts, Student Center Programming, Homecoming, Video, Travel, Fine Arts, Orientation, Springfest, Parents Day, Lectures, and Free School. Third floor, Student Center, phone 536-3393.

Inter-Greek Council (IGC)—represents over 1,200 students and coordinates the activities of the 27 social fraternities and sororities. IGC sponsors and coordinates various campuswide activities and social service projects throughout the year: Fall Welcome Fest, Inter-Greek Council Fashion Show, Greek Week, Performance '80, and the Saluki Picnic. Third floor, Student Center, phone 453-5714.

Black Affairs Council (BAC)—coordinates the activities of 18 black student campus organizations. BAC programs social, cultural and educational events, and publishes Uburu Sa Sa newspaper. Third floor, Doyle Hall, phone 453-2226.

Mobilization of Volunteer Effort (MOVE)—provides opportunities for students and staff members to volunteer for campus or Carbondale activities such as the annual Red Cross Blood Drive, United Fund Drive, and the Special Olympics program, as well as assistance programs for children, senior citizens, or the mentally retarded. Third floor, Student Center, phone 453-5714.

Other organizations on the third floor of the Student Center are the Illinois Public Interest Research Group (IPIRG), working for the benefit of the student as citizen and consumer; Student Environmental Center, implementing educational and working experiences for students about environmental problems; and the Student Attorney's Office, providing legal assistance to registered students at SIUC.

Recreation

All intramural and recreational sports at SIUC are programmed by the Office of Intramural Recreational Sports, housed in the new Student Recreation Center, on East Grand Avenue.

There are seven broad areas of programming: men's intramurals, women's intramurals, co-rec intramurals, informal recreation, sports clubs, special programs recreation and Lake-on-the-Campus.

The Rec Center contains 140,000 square feet of space and includes three olympic-size swimming pools, eight racquetball courts, large gymnasium, three basketball courts, judo, karate and boxing rooms, weight lifting room, golf-driving rooms, suanas, student lounge, and much more.

A handbook and numerous brochures about the activities and facilities are available by visiting the Student Recreation Center or by calling 536-5531.

GETTING AROUND

Student Life Advisors (SLA's)—Volunteer upperclassmen who are trained to assist new students through the orientation process at SIUC. Each SLA meets with a group of students at the beginning of the semester, answers questions and is available as a resource person for several weeks.

New Student Information Center—In the Student Development Complex, Student Center, third floor. Come in with questions or call 453-5714. There will be a new student handbook available, designed and written by students for students.

September 7th—Student Center Open House

September 29th—Parents' Day

October 5th—Student Activities Fair. Investigate the many student clubs and organizations.

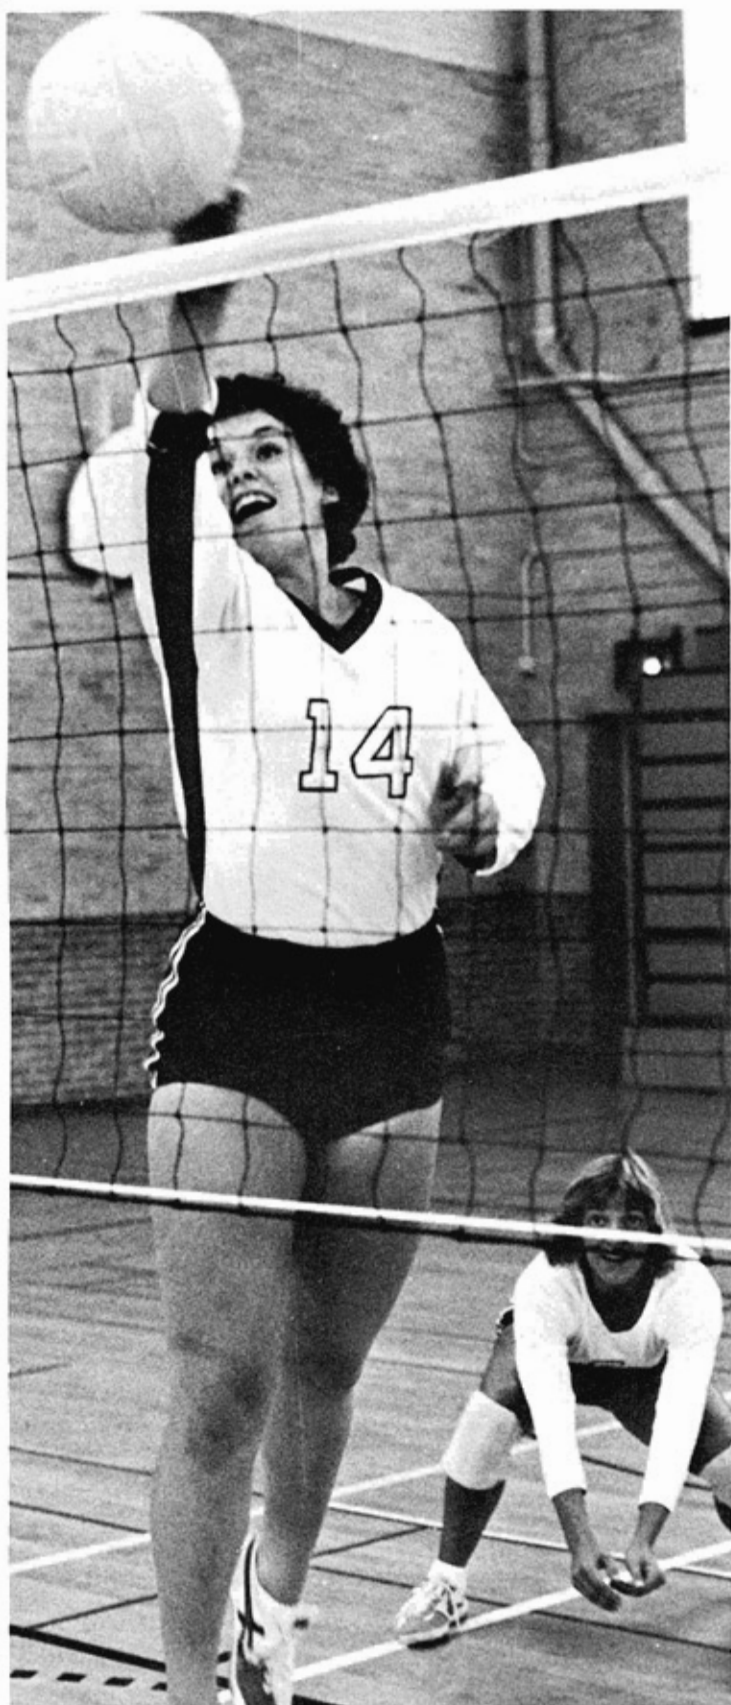

During the semester, watch for ads in the Daily Egyptian, talk to the SLA's or stop by the New Student Information Center.

Welcome to Southern Illinois University-C:

On behalf of every member of Southern Illinois University's Men's Athletics staff, I would like to welcome you to one of the finest institutions of higher education in the United States.

Not only will you have the opportunity of attaining a well-balanced education at SIUC, but you will have many enjoyable moments as well.

We would like to think that some of these will be provided by our men's athletic teams as we, too, have an extremely well-balanced program.

Kindest personal regards

Gale

ATHLETICS

Dear Sports Enthusiast:

Welcome to Carbondale and SIU. Southern is known for its friendly campus, and we hope that you will find this reputation well-earned.

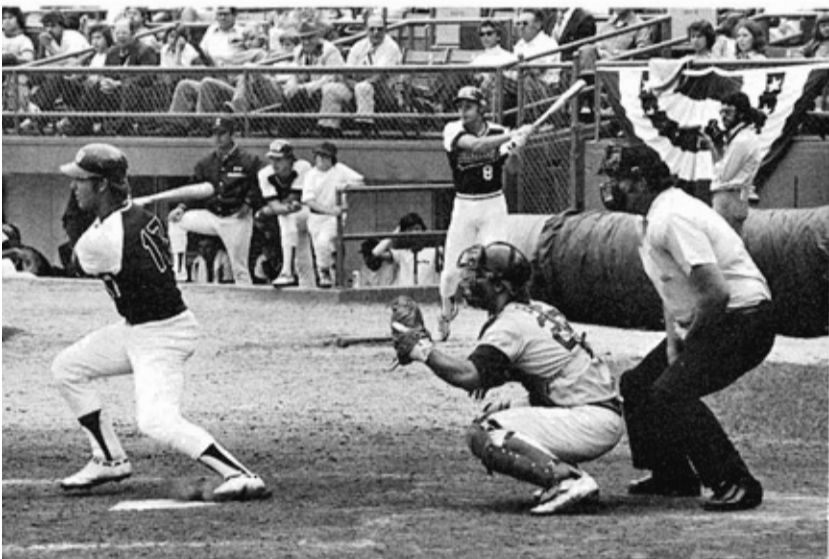

Southern also is known for its widely diversified Women's Athletic program which provides competition in eleven sports. Many exciting events against top-notch competitors are scheduled during the 1979-80 school year on campus. For further information, you may visit us at Davies Gymnasium or call 536-5566.

On behalf of Women's Athletics, I would like to invite you to support the Lady Salukis; I am sure you will enjoy the action.

Sincerely,

Charlotte West
